

People Fund supports local youth

The Great Lakes Energy People Fund has added some swing to a local day care and boosted the heat for a preschool in the community.

In 2009, the Great Lake Energy People fund awarded a \$2,000 grant to the Crawford AuSable Day Care in order to buy swings for the day care's playground. A second grant for \$500 was given to the Grayling Cooperative Preschool to purchase heaters for the school.

In 2009, a total of 56 charitable and community organizations from throughout the Great Lakes Energy's service area received People Fund grants totaling over \$206,000. 2A

Vikings survive late run by Elks

Grayling led by 10 going into the fourth quarter, but the visiting Elk Rapids Elks rallied in the final three minutes of regulation to win the game, 21-14, on Friday night.

After a high-scoring first period, Grayling led 25-20. The Vikings had a three-point advantage at halftime. GHS outscored Elk Rapids 21-14 in the third period.

"Our kids overcame an awful lot of adversity on the court and earned a hard earned victory. We played very well at times in the game and had some nice offensive and defensive runs. We need to play at a consistent level, which we struggled with tonight," Coach Rich Moffitt said. "I thought our crowd played a key role down the stretch and helped our kids." 22A

OPINIONS

Being proactive is encouraged

To the editor:

While it's true that we don't have enough traffic right now (in the winter) for a light on the corner of Michigan and Maple, there are times in the summer when it was difficult to cross Michigan prior to a light being in place.

I have often seen traffic backed up waiting to cross Michigan in the past.

It is my understanding that the city will be able to get the light at a good discount if we purchase it now.

Doesn't it make sense to pay less for something now rather than wait until we have no choice in the matter and pay more? 4A

Students, staff recognized for high achievements

Grayling High School was recognized as one of the top high schools in the State of Michigan in a magazine, which covers national and international news, issues and business.

In an article published in the Dec. 9, 2009 edition of the US News and World Report, Grayling High School was given bronze medal status and recognized for student achievement. Only 75 schools in the State of Michigan were recognized. Michigan has 864 high schools.

The prestigious publication made their determination based on a number of factors. Of the 21,786 public high schools across the country that were examined, consideration was given to the size of a school's budget and the number of students enrolled. In addition, out performing state standards and providing exceptional preparation for college level coursework were also calculated when determining the finest place for youth

to receive valuable instruction in America.

The administration at Grayling High School was pleased to learn about this recognition.

Grayling High School Principal Doniel Pummell credits the hard work of students and staff to the significant academic improvement.

"Our students continue to excel and improve in the classroom," Pummell said. "With the assistance of a devoted staff, the witnessed by increased ACT scores and grades as well as increased student participation in Advanced Placement courses."

The Crawford AuSable School District Board of Education has made Advanced Placement courses a district priority in order to take each and every student to their highest level.

"It is nice to see that the hard work and dedication put forth by both the staff and the students is being positively recognized," said Donna Boughner, the Grayling High School's Dean of Students.

Grayling High School has been actively integrating a number of academic programs to help every style of learner. Of the interventions that are creating great excitement among the student body, the Grayling Viking Renaissance (GVR) rewards program is the most thrilling. The program recognizes students for their academic achievements, attendance and attitude and currently has 58 percent membership. Members of the National men provide a great service to student success through tutoring and peer mentoring, including the Freshmen Five Orientation. In addition GVR members are provided an hour-long assembly once a month. While that assembly takes place other interventions are occurring such as private tutoring and encouragement by teachers for aspiring GVR members. An academic center also has been created to provide additional support during school hours. A Student Assistance Team (SAT) consisting of

Council increases city manager's pay after evaluation

by Dan Sanderson
Staff Writer

The Grayling City Council gave the city manager a pay hike last week to send a message that it is behind the community's current administration.

During a regular monthly meeting held last week, the city council went into a two-hour closed session to continue the evaluation of Grayling City Manager David Thayer's job performance.

The outcome of the evaluation was their united conclusion that Thayer was the best person to continue leading the city in implementing the council's policies and achieving their goals during these troubling times. The council believes that working as a team with Thayer's leadership, it will enable the city to address some major issues before them and hopefully bring some historic developments to Grayling.

Specifically, Thayer said bringing Kirtland Community College's presence to Grayling and attracting wood-products industry businesses to the Grayling Industrial Park were two major initiatives city leaders are spearheading.

"There are projects and things we have in the works that we believe he can deliver to us and as a result of that, we choose to stand behind what he's doing," said

Grayling Mayor Kent Schmeider. Thayer said the council wanted to send a clear message to the community that it does not intend to end the manager's tenure with the city, now or in the future.

Thayer has an overall 30 years in public administration and 10 years as a municipal manager. He was hired four years ago after former Grayling Manager Allen Lowe resigned after six years in the position.

"I have no plans to leave and just want to continue being proactive, helping Grayling get through these troubling times," Thayer said.

Thayer said the council wanted to get beyond the coffee shop discussion of whether the manager has a job or not and

Township has new supervisor

by Dan Sanderson
Staff Writer

South Branch Township started the New Year out with a new leader.

Laurie Luck was appointed to serve as the South Branch Township Supervisor by the township board at a meeting held on Dec. 23. Luck replaced former Township Supervisor Tom Kozlowski who resigned effective Dec. 1. Kozlowski served as the township supervisor for five years.

Luck, who had served as a deputy treasurer for South Branch Township for the last two years, said she thought stepping up to be the supervisor was a good move that would allow her to have more of an impact.

"I wanted to make a difference in this community and this township," Luck said.

Luck said she has previously been involved in communities her family has lived in, including working over 14 years at the East Jordan Senior Center in Charlevoix County.

Luck and her husband, William lived in the Higgins Lake area before moving to northwest Michigan. The couple has two grown children and a grandson who live in Petoskey.

William is the store director for Glen's Markets in Rosecommon, where he plans to work until he retires.

"He started at the store 30 years ago and had the opportunity to come back," Luck said.

Great Lakes Energy People Fund supports local youth

by Dan Sanderson
 Staff Writer

The Great Lakes Energy People Fund has added some swing to a local day care and boosted the heat for a preschool in the community.

In 2009, the Great Lake Energy People fund awarded a \$2,000 grant to the Crawford AuSable Day Care in order to buy swings for the day care's playground. A second grant for \$500 was given to the Grayling Cooperative Preschool to purchase heaters for the school.

In 2009, a total of 56 charitable and community organizations from throughout the Great Lakes Energy's service area received People Fund grants totaling over \$206,000.

Customers who allow their electric bills to be rounded up to the nearest dollar make the Great Lakes People Fund possible. The least a customer can pay is zero cents and the most is 99 cents. An average customer typically donates 50 cents a month or \$6 per year.

"We're just pleased through the generosity of our members that we're able to offer this program," said Dave Guzniczak, community affairs officer for Great Lakes Energy. "It's their help that's coming back to their community through the People Fund program."

Since its establishment in 1999, the People Fund has awarded over \$1.86 million.

Guzniczak said the People Fund has not been impacted by the economic recession like other charities, but the more people who participate in rounding up their energy bills, the more they can help charitable and community organizations.

"If we get a lot more members that participate, those dollars add up very quickly," Guzniczak said.

The Grayling Cooperative Preschool received two Convectair heaters from Great Lakes Energy to help warm up the school.

Mark Snyder, a board member and bookkeeper for the Grayling Cooperative Preschool, said Great Lakes Energy helped the school acquire more energy efficient windows a couple of years ago. The wall unit heaters are another initiative to cut down on utility costs for the school, which currently has a dozen students enrolled.

"These heaters seem to keep the school fairly comfortable without using the electric heat itself, so my guess is this is going to make a big difference," Snyder said.

Guzniczak said the heaters help heat a particu-

lar area of a building or home rather than having to turn up the thermostat.

"It's used as supplemental heat to offset heating costs," he said.

A photograph in Great Lake's Energy's monthly publication "Michigan County Lines" covering the 2009 People Fund annual report features the Grayling Cooperative School students thanking the Great Lakes Energy People Fund for the grant.

"It was really nice for the parents and the kids to see the school recognized, so they were all very excited about that," Snyder said.

Margaret Skidmore, executive director of the Crawford AuSable Day Care, said their \$2,000 People Fund grant paid to replace swings at the day care. Initial swings, installed on the day care's playground in 1980, did not meet current playground safety rules and codes. A wooden A-frame swing set, which allowed children to climb the poles, was removed four years ago. A metal swing set, which had swings located too close to poles, was removed two years ago.

Skidmore said that parents and children often inquired about not having swings on the playground. The day care has an enrollment of 50 children from age two and 1/2 to 10-years-old.

"The only way for us to get the swings was to write a grant because we just don't have that amount of money available to us," Skidmore said.

After receiving the grant, the swings were ordered in June. They were installed and inspected for use by the children in mid-November.

"They were really excited to get them," Skidmore said.

Grant fund applications are reviewed by a People Fund Board of Directors.

Al Quaal, a partner in AJD Forest Products and inspiration for Albie's Pasties, which is run Quaal's son, Regan Quaal and partner Paul Lochinski, serves on People Fund Board for the northern district.

On Thursday, Jan. 7, seniors from the Cheboygan Senior Center came to Grayling to challenge the Senior Center in Wii Bowling. The Grayling Senior Center took the challenge even though the Cheboygan Seniors have won seven times in a row at other centers. After three rounds of bowling, Grayling Senior Center came out ahead with a winning score of 2,139 to 2,067. onto making great things happen for the city. Thayer's new salary is \$73,000.

"I am pleased that the council stepped forward to put these unfounded rumors that have been circulating around town for the last two to three months to rest so we can aggressively attack the issues that are before us," Thayer said.

In addition to the two major initiatives Thayer is spearheading, his goals for 2010 include continuing the beautification program to help preserve property values in the city. He also plans to study utility costs and try

to find ways to hold or reduce costs less than inflationary increases. Thayer also plans to conduct a water and sewer rate study to verify correct rates are charged to support the two funds. Finally, Thayer plans to build an education/communication component to inform the public of city business and accomplishments.

Last year, Thayer monitored, coordinated and worked with the Michigan Department of Transportation and its contractors to oversee the city's interest with the rebuilding of the I-75 Business Loop.

He also drafted and implemented a fire protection with Grayling Charter Township. Thayer also oversaw the foreclosure on the former D & K Condominium Property Project, which included the former Ez Built Homes. He has prepared a sales plan to develop the repossessed land to be a vibrant part of Grayling's Industrial Park. Finally, Thayer worked with the State Film Office to make Grayling a future film site.

In previous years, Thayer guided the construction of Michigan Avenue infrastructure, rebuild and

streetscape project, preserving and protecting the best interest of the city. He also obtained \$519,767 Community Development Block Grant for the project. Finally, Thayer created a new zoning district for the medical cottage industry to support Mercy Hospital Grayling and create new medical jobs.

A full list of the city council's goals for 2010 and the last three years, as well as Thayer's accomplishments for the last three years can be obtained from Grayling City Clerk Michele Moshier or viewed on the city's web site.

Almanack

by Richard Milliman

Election picture mired in confusion

ANYONE WHO takes Michigan politics for granted was hit with a wake up call when Lt. Gov. John Cherry dropped out of the Democratic race for governor, leaving a scramble to pinpoint a new champion.

Mr. Cherry was the logical Democratic choice, based on experience and position. When he decided he couldn't raise enough money for a winning campaign, the list of potential candidates widened.

As of this writing, no new one has formally entered the fray, and one announced candidate — former State Rep. John Freeman — also bowed out citing money problems as one of his reasons, leaving State Rep. Alma Wheeler Smith of Ann Arbor as the only avowed Democratic candidate, with MSU Trustee George Perles as a self-anointed hopeful.

Of course, as Democratic leaders are quick to point

out, the primary is not until August, and it's still early, running off a list of past nominees who did not formally enter the race until March or April or May.

But the reality is that it is late. Campaigns are not what they used to be, and the eventual Democratic candidates will have to play a frenzied game of catch-up in both money raising and campaigning, to fend off the friendly but wide open Republican side which has at least five serious and more or less well known candidates already scheduling debates.

THE DILEMMA provides Democrats with a wonderful chance to trot out "what if" potential candidates.

Some are talking about Henry Ford, who already has a great job with the Ford Motor Company, and Tony Earley, chairman of DTE

Energy.

Then there's Bob Bowman, state treasurer with former Gov. James Blanchard 20-some years ago. Mr. Bowman reportedly has toyed with involvement in Michigan politics after he went east and improved his personal fortunes through various ventures, all proving his business acumen. He maintains a summer home up north in Michigan.

Robert Ficano, Wayne County Administrator, was an early possibility, but with Mr. Cherry's withdrawal he reaffirmed an earlier decision to keep his present job.

State Sen. Hanson Clarke of Wayne County announced his own run for governor the day after John Cherry withdrew, but a few days later chose to run for congress instead.

US Rep. Bart Stupak, whose district covers all the Upper Peninsula and the top

of the Lower Peninsula, has hinted an interest, but chances of his running for governor range from slim to none.

Dan Kildee, former Genesee County Treasurer, admits he's interested in governor, but he just started a new job in Washington promoting his favorite plan to reinvigorate urban areas by turning blighted areas into producing farms, and it might be awkward to turn his back on his dream project now.

THEN THERE'S Denise Ilitch of Detroit's Ilitch dynasty which covers pizzas, baseball, hockey, theater, casinos and other adventures. Denise Ilitch, an attorney who owns her own business, was elected in 2008 as a Democratic member of the University of Michigan Regents. She recently visited the White House, including the presi-

dent, presumably to sound out her chances as a candidate for governor.

Two other more serious possible candidates are House Speaker Andy Dillon of Redford Township in Wayne County, and Virgil Bernero, elected in November to a second four year term as mayor of Lansing.

Both have appointed the proper committees to scout out a formal campaign, and both probably will jump into the race with both feet in the near future.

REPUBLICANS seem content to fight it out with five candidates who have been openly pursuing the job for several months.

They are Atty. Gen. Mike Cox, US Rep. Pete Hockstra of Holland who chose to run for governor instead of another term in Congress, Macomb Sheriff Mike Bouchard, Ann Arbor busi-

nessman Rick Snyder, and State Sen. Tom George of Kalamazoo.

At this point, nobody is sure of what's going to happen, who eventually will be in the Democratic race, or who will win in either August primary.

When trying to handicap the outcome it's well to keep in mind that with more than two candidates running for either nomination, it would not take a majority of votes to win.

In fact, with enough candidates in one race or the other, the winner might be decided with 30 to 40 percent of the vote.

That's one more thing that makes Michigan politics so interesting in 2010.

Legion looking to put together list of current local servicemen

To the editor:

Year after year, Crawford County has had a large number of our young citizens serving in some branch of the military.

Discussion at the last American Legion meeting brought out the fact that no organization has any list of current servicemen and that the Post would do what it can to put one together.

Such a list could then be available for organizations, groups or individuals in the community to contact them or send care packages, which would let them know they are not forgotten.

If you have a family member, friend or neighbor on active military service, please drop their name and address off at the legion. We don't want anyone left out. It will be far better to have someone reported several times than not at all.

Once the legion has a list with addresses put together, it will be made available to other groups or individuals who have a positive use for it.

Being proactive is encouraged

To the editor:

While it's true that we don't have enough traffic right now (in the winter) for a light on the corner of Michigan and Maple, there are times in the summer when it was difficult to cross Michigan prior to a light being in place.

I have often seen traffic backed up waiting to cross Michigan in the past.

It is my understanding that the city will be able to get the light at a good discount if we purchase it now.

Doesn't it make sense to pay less for something now rather than wait until we have no choice in the matter and pay more?

How often do we complain that community leaders wait until someone gets hurt before they fix a traffic situation? It seems to me that the city is being proactive and saving the taxpayers money in the process. I think it's time we encouraged that sort of thinking.

Safe winter driving tips

With the Federal Emergency Management Agency (FEMA) citing traffic accidents as the leading cause of death during winter storms, the Crawford County Sheriff's Office is reminding travelers that despite adverse conditions, many accidents can be avoided.

"What a lot of people need to understand is that a high percentage of traffic fatalities are a result of poor decision making," says Crawford County Sheriff Wakefield. "In bad weather, it may come down to something as simple as postponing travel for a day. If you do have to brave the elements, watch your speed, don't try to drive too far if you're tired and make sure your vehicle is equipped with the necessary equipment for the conditions. Most importantly, always wear safety belts and never get behind the wheel after having too

much to drink." In 2008, more than 11,000 Michigan accidents were alcohol related. Despite statistics showing that seat belt usage in the U.S. has increased over the years, with about four out of every five travelers now buckling up, there is still room for improvement. The National Highway Traffic Safety Administration estimates that if all drivers and passengers wore seatbelts, approximately 8,000 lives a year would be spared nationwide.

With the arrival of winter weather, Sheriff Wakefield suggests the following safety tips for safe travel: check your tires, engine oil, antifreeze and brakes before embarking on a trip. Buckle up and make sure your passengers do too. Reduce speed in snow, sleet and rain. Allow yourself plenty of braking space in wet weather; lightly pump

your brakes on wet roads when slowing the vehicle. Never venture down unplowed roads. Avoid distractions such as talking on cell phone or eating. Keep headlights on and use low beams in fog. Listen to the radio for information on local road weather conditions. Pull off the road if you're tired or if outside conditions worsen; and if you break down, don't venture more than 100 yards from your vehicle to seek help.

Things to include in your vehicle during winter driving are: a map of the area where you're traveling; water, a flashlight (with extra batteries), a candle (for heat and light), a snow brush and ice-scraper, a package of cat litter, a spare tire, a small shovel, hats, weather proof gloves, boots and a heavy blanket, matches and flares, and a cell phone (for emergency use only).

Grayling to host 11th annual northern Michigan Small Farm Conference

by Dan Sanderson
Staff Writer

A century ago, Crawford County officials and developers promoted the area as a "Land of Opportunity" for agriculture after thousands of acres of timber were lumbered and burnt over.

The advertisement, published by the Board of Supervisors of Crawford County and the Northeastern Development Bureau in 1910, was called "Back to the Farm." The booklet contained information from scientific experts who said Crawford County possessed the proper climate for growing fruit, grain and vegetables that had adapted to the climate.

One hundred years later, the 11th Annual Northern Michigan Small Farm Conference will be held at the Grayling High School on Friday, Jan. 29 and Saturday, Jan. 30.

The theme for the 11th Annual Northern Michigan Small Farm Conference is "Changing Realities in Farming and Food."

When it comes to agriculture, thinking outside the box can improve both production and profits.

At least that's what Gary Zimmer, president of Bio Agriculture, will try to convey to participants at the Northern Michigan Small Farm Conference.

Author of "The Biological Farmer," Zimmer stresses the importance of a balanced and sustainable agricultural system through healthy, mineralized soils and healthy, naturally raised livestock. He is a dynamic speaker, and shares his vast knowledge of farm-tested techniques and practices with his audiences.

When he is not teaching farmers around the globe, Zimmer can be found on his Otter Creek Farm in Wisconsin, or in southwestern Michigan, where he grows high-yielding corn without supplemental nitrogen fertilizer.

"It's about learning to understand soil structure and soil health. But remember that this isn't formula farming," Zimmer said. "There's no one right way."

Wendy Wieland, a conference planner and counselor for the Michigan State University (MSU) Product Center, believes conventional farmers who hear Zimmer speak will recognize his conversation surrounding profitability, scope and scale, while organic farmers will appreciate his focus on soil fertility and sustainable production methods.

"He will bring insight to folks on both sides of the fence, and in the process, probably knock a few fence sections down," she said.

In addition to Zimmer, Melinda Hemmelgarn will share her messages surrounding health, diet and communication.

Hemmelgarn, a registered dietitian, works to make a healthy change in communities, especially with children and in schools. Her

popular "Food Sleuth" column in the Columbia (Mo.) Daily Tribune centers on different areas of diet and health, and she supports protecting farms and food.

"As our food supply becomes more consolidated or owned by fewer and larger corporations, smaller independent food and agricultural businesses have either been bought out or forced to close because they cannot compete with larger multinational competitors," Hemmelgarn said.

Hemmelgarn will kick off the conference with her Friday evening keynote presentation at 7 p.m. on Jan. 29. Her presentation is open to the public for a small donation.

On Saturday, Jan. 30, a full day of programs, workshops, a lunch prepared with locally grown foods and a trade show will run from 8 a.m. to 5 p.m.

In addition, the Institute for Sustainable Living, Art & Natural Design has recruited instructors in order to expand the offerings of the Small Farm Conference. The new homesteading track is geared toward practical instruction for home producers and backyard farmers. The first session includes information on designing and transforming a farm into an agro ecosystem with functional interconnected elements, which will be held from 9 a.m. to 10:15 a.m. on Saturday. A workshop on perennial vegetables that can be grown in cold climates will be held from 10:30 a.m. to 11:45 a.m. on Saturday. Finally, a session called "Eating Your Curds and Whey" will cover cheese making in the kitchen and will take the mystery out of making cheese, what you need and where to get it from 3:15 p.m. to 4:30 p.m. on Saturday.

A youth session will also be held on Saturday, which will feature panel presentations by youth entrepreneurs at 9:20 a.m. Daniel Salatin, a third generation farmer from Virginia, will be the keynote speaker at 1:30 p.m. Finally, educational demonstrations at 3 p.m. will include worm composting, mushroom inoculation, tapping trees, making mozzarella cheese and harnessing horses, although no horses will be present at the conference.

The cost to attend the conference is \$45 for adults and \$15 for youth.

For more information on the conference and registration information, visit www.smallfarmconference.com.

"As we enter a new decade, we see many new changes in technology, regulation and farm policy," Wieland said. "Farmers want to be more profitable and innovative. This conference will include a lot of good information about how farmers can face challenges in today's world. It's well worth the \$45 registration fee."

The Bible Speaks

Our 38th Anniversary

God first called us here to minister in Grayling at Calvary Baptist Church 38 years ago this month. We remember reports that -36 degrees and 2+ feet of snow would greet us. The Bible Speaks column was started in the Crawford County Avalanche a year later in 1973. Our present church facility at 6504 West M-72 was finished and dedicated in 1974. Calvary Baptist Academy started in 1976. Our new multi-purpose family complex which includes a full-size gym is near completion. Lord willing, this year our defense of the Bible, The Word of God on Trial, will surpass 100,000 copies in print. God has showered upon us many blessings these last 38 years. We pause to honor Him and give Him all the glory, for He alone is worthy!

Will this year mark a turning point in our public ministry in Grayling? My wife Donna suffered a stroke leaving her temporarily unable to care for basic needs. We as members of the family have stayed with her 24/7 during her difficulties. God gave me a wife and family before He called me to pastor a church, so my wife's care comes first. "5(For if a man know not how to rule his own house, how

shall he take care of the church of God?)" (1 Timothy 3:5). God also warned us in 1 Timothy 5:8: "8But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel." We will continue to trust our lives, health, and ministry to the will of our sovereign God we serve. The future life and health of our family, our church, and our community are in His hands.

The people of Calvary Baptist Church have remained very patient and supportive during these past months. As long as God provides strength and opportunity we plan to continue preaching at all scheduled church services, and continue writing the newspaper articles. Our heart's desire remains the joyful privilege of ministering to you and your families throughout 2010 and beyond!

God has left one last burden, goal, or dream upon our heart; the desire to see God's house filled each Sunday. Many people call me their pastor and Calvary Baptist Church their church home, yet they remain missing in our fellowship each Sunday. If you have read this article each week since 2005 you have already been receiving a condensed 2 minute summary of each message on Romans

preached on Sunday morning at the church. On Sunday evening we are starting a detailed study of the book of Revelation. This gives God's prophecy of what Jesus Christ has promised to do here on earth in the coming years. The book of Revelation has never been more real or relevant than it is today.

Thank you for welcoming our family to Grayling and allowing Grayling to be our home for 38 years. We want to take this opportunity to thank each of you who has made these years a special blessing to us. Thank you for the joyful times we had marrying your parents and grandparents. Thank you for the privilege of sharing the solemn and sad moments helping in the burial of your departed loved ones. Thank you, for the joy of baptizing and helping train your youth for their future. Remember, "6Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6). May God richly bless and keep you and your family throughout the coming New Year. With love, Pastor "B"

Class of 2009 presents gift to future students

As the class of 2009 departed from Grayling High School (GHS), they left a generous and useful gift to all future GHS students.

Early in the school year, Mrs. Patrick and Mrs. Margaret Knapp solicited the 2009 student council to develop an idea to transform a space in the media center into an inviting and usable student area. They transformed an underutilized area in the front corner into a wireless café style nook, with four café tables and eight stools.

The GHS building trades class crafted round tables under supervision of Darwin Powell, GHS teacher. With the help of Youth Advisory Council mini-grants and GHS mini-grants, the class of 2009 purchased carpet circles to place under the tables and framed artwork to complete the modern look the media center staff

Nicole Metzger and Talia Piper, (pictured above) were part of the class officers that chose to make a wireless café style nook in the media center as the class of 2009 gift to future Grayling High School students.

had hoped to achieve.

Library paraprofessional and 2009 class advisor Margaret Knapp says, "The new seating area is a great addition for our students on passes. Students seem to be drawn to it and have really enjoyed it."

Junior, Haley Wiseman, and freshmen Micheal Beck

comment, "We choose to sit at the tables because it's quieter, more comfortable and you have your own space away from distractions."

Not only has the corner become the most popular part of the media center, but it is a gift, from past to future students.

GHS students to travel to Washington DC

Over Spring Break, Grayling High School band students will be traveling to Washington, DC to visit our nation's capital and tour all the memorials and monuments that make up this great city.

The students have been working hard for two years saving for this trip.

They will be gone for five days, with two of the days being travel days and the rest

of the time they will see as much as they possibly can. They have a confirmed visit to the capital on the first day and a request to see the White House. They are hoping to see Arlington Cemetery, all the monuments and museums along with a live theater performance and maybe a glimpse of someone important.

Even though the students have worked hard over the

past two years holding car washes, bake sales and various fundraisers, some of them are still short.

With donations down and the cost of band camp, the students are hoping to make this a trip of a lifetime. Your donations would be appreciated. Send to: Grayling Viking Band, 1135 Old 27 N. Grayling, MI 49738, or call Shirley Currison at 732-7485 or 348-1348.

Library manager receives 2009 Ralph Sperry Award

Once a year, the C.O.O.R. Board of Education and R.O.O.C., Inc. present the Ralph Sperry award. This memorial award is given to an individual or group in recognition of their contributions to assist people with disabilities to overcome barriers and to participate fully in their communities.

The 2009 Ralph Sperry Award recipient is Bambi Mansfield-Sanderson, manager for the Devereaux Library in Grayling.

In 2007, ROOC, Inc. was awarded the janitorial contract for the library and Mansfield-Sanderson has

been their contact for this worksite.

In addition to helping the crew feel like a part of the team at the library, Mansfield-Sanderson has also taken a personal interest in the integration of the crew. She has planned outings and activities for them and has helped the ROOC staff plan community-based activities for other consumers as well.

She has invited the crew to her home for a luncheon and has gone above and beyond in making sure they recognize the value of their work.

Starting and maintaining a fitness program

(ARA) - Let's face it - if New Year resolutions actually worked, we wouldn't be making the same ones year after year, and largely, we do. In fact, more than 40 percent of the population makes resolutions, and on a grand scale, the top 10 resolutions are the same from year to year, with two of them consistently involving exercise and getting fit.

Perhaps the high failure rate of resolutions, estimated at 97 percent, is not because the resolution itself was unreasonable, but because hardly anyone takes resolutions seriously enough to conceive a plan for real change.

Here are some tips for creating an effective plan for a healthy lifestyle change:

- Determine your health/fitness goal. Call it a resolution if you wish, but don't limit yourself to trying it only on Jan. 1, and don't make it a goal that's frankly just too boring to keep. A goal of losing 10 pounds is a lot less exciting than an alternative goal to get fit and have fun while doing it.

- Make resolutions of reaching your goal a simple one. Start with a list of fun activities that keep you headed in the right direction. Also, don't list activities that are nearly impossible to do or a huge drain on your time - they're way too frustrating, and likely to leave you overwhelmed and uncommitted.

A beginner's goal of running one mile a day every day might be too daunting, but an alternative goal of walking for 30 minutes a day after work with a friend allows added fun and social time.

- Schedule the time. You want exercise to be a priority in your life, and you're well aware of the benefits, but you're stretched way too thin as it is and are having a hard time fitting it in. Despite any resolution you make, it's unlikely that any of those other priorities in your life will suddenly go away. The answer? Scheduling. A plan is simply your list of activities (from above) paired with your calendar. When making your plan, seriously consider when you're going to fit in your activities. Review your calendar weekly, and don't be afraid to move things around in order to find what works best for you.

- Start. Every journey begins with just one step, as daunting as that step might be. If you haven't exercised in a while, and you're intimidated about getting started again, the best thing to do is just to start. (You should always consult your physician before beginning any new exercise routine.) Kick off by taking a long walk by yourself in the great outdoors for clarity of thought, or go with your spouse or best friend while you catch up on life's happenings.

- Measure your successes and optimize your workout. Whether you are just starting out or have been in your routine for a while, some measurement tools might come in handy to help you get the most from your efforts.

As you become more fit, you may want to include a heart rate monitor (HRM) in your routine that will signal when you are exercising within your target heart rate zone for optimal results.

- Keep going. By all means, accept that just like any other

appointment on your calendar, you won't be able to complete every workout activity as you had planned. Some days, commitments will get in the way; other days, you just won't feel up to it.

That's fine, there's no resolution failure as long as you simply accept your missed workout and keep going with the next one on your calendar.

Bucks outscore Vikings in 2nd half to win

Grayling High School's varsity and junior varsity girls basketball squads both fell to the Roscommon Bucks in non-conference games played at RHS last Monday. Both contests were close at halftime, but the Bucks outscored Grayling 48-29 combined in the two second halves.

Grayling's varsity squad started strong and led 13-4 at the end of the first period. The Bucks battled back and the contest was tied (21-21) at halftime. Roscommon outscored GHS 27-19 in the second half to win by eight points.

"This was our best start to a game all season. We were ready and took a 13-4 lead at the end of the first quarter," Coach Kelly Sheehan said. "Late in the game foul trouble hurt us and Roscommon started to make their shots."

"We are getting more consistent with each game and our younger players are gaining confidence. Our freshman, Jo Hamlin, scored a season high 13 points," Coach Sheehan said.

J. Hamlin finished with 13 points and four rebounds. Teresa Schreiber had eight points and three steals. Abbey Thomas had five

points, seven rebounds, and two blocks. Ann Hamlin finished with four points and six rebounds. Ashley Feldhauser and Mackenzie Harwood scored four points apiece for the Vikings.

In a low-scoring JV game, the Bucks defeated the visiting Vikings 29-16. Grayling trailed by only two at half-time (8-6), but Roscommon pulled away in the second half.

"Our shooting continues to struggle. We had plenty of opportunities with good looks at the basket - both inside and out - but continued to struggle. Our defense was outstanding in the first half," Coach Craig Hofman said. "Our defense in the second half was also good. Several times we cut the lead from five or six to three but then could never tie it up or take the lead. Rosco took advantage of some foul trouble we were in and hit some inside baskets to extend their lead in the fourth quarter."

"The real dagger for us was the unforced turnovers. Between those and the turnovers that Rosco did cause we gave them at least 40 extra shots at the basket," Coach Hofman said.

The Vikings have now lost four straight games

Chloe Harwood grabs a rebound for Grayling's JV squad at Roscommon.

after winning three consecutive contests.

"Consistency is what we had earlier in the year and we need to get it back on the offensive side of the ball so we can continue to compete. The girls played their hearts out but it comes down to execution in the end," Coach Hofman said.

"Madison Juntilla and Myrissa Kuhn, who are now playing a lot more due to injuries, did an outstanding job in their first game where they both played major min-

utes. They are going to improve fast and really help on both sides of the ball. Caitlin Prosser again dominated the middle of the floor defensively and Hannah Haven played a solid game after some struggles in the first half offensively," Coach Hofman said.

Leading scorers for the Vikings were: Haven, 6 points, 7 rebounds, 4 steals; Alyssa Morley, 6 points, 3 rebounds; Chloe Harwood, 2 points; Prosser, 2 points, 16 rebounds, 4 steals.

9th graders win road games vs. Rams, Bobcats

The GHS freshman boys basketball team improved its season record to 4-0 with recent victories vs. the Houghton Lake Bobcats and the Harbor Springs Rams.

On Friday, Jan. 8, the freshman team won 52-32 at Harbor Springs.

Grayling built a steady lead throughout the game, leading 15-7 after one quarter and 28-16 at halftime. The Vikings led by 19 going into the fourth period.

"We got off to a nice start. Our defensive pressure

ignited our offense early. Our kids did a nice job of breaking their pressure and moving the ball," Coach LJ Mead said.

Leading scorers for GHS were: Scott Parkinson, 24 points, 6 steals; Louis Menard, 10 points, 7 rebounds; Mason Krey, 4 points, 4 steals; Jake Robinson, 4 points, 4 rebounds; Blake Hatfield, 3 points; Levi Korneli, 3 points, 6 rebounds; Wes Dean, 2 points; Jake Cochrane, 2 points, 4

assists.

Grayling won by 12, 36-24, on Monday, Jan. 4, at Houghton Lake.

"It wasn't pretty but we got the job done. You could definitely tell we were coming off of Christmas break as we struggled throughout the game. We seemed a step slow offensively, but I was happy with our defensive effort. Louis Menard and Levi Korneli did an excellent job of getting into a passing lane and getting deflections. Our kids bat-

tled the entire game and came up with a win," Coach Mead said.

Scorers for GHS included: Parkinson, 13 points, 6 rebounds, 6 steals; Korneli, 8 points, 6 rebounds, 3 steals, 3 blocks; Menard, 6 points, 6 rebounds; Dean, 4 points, 4 rebounds; Krey, 3 points, 5 assists, 3 steals; Nathan Moery, 2 points.

The 9th grade team (4-0 overall, 2-0 league) will play at Traverse City St. Francis on Friday, Jan. 22, at 4:30 p.m.

Grayling won 45-23 vs. St. Francis and 72-6 vs. Elk Rapids.

White, a junior, won his 100th career high school match on Saturday at Onaway. He has a chance to

The Vikings will host a daytime meet vs. TCSF and Charlevoix on Thursday, Jan. 21, at 1:30 p.m.

Skiers place 2nd, 4th on Friday

Grayling High School's boys and girls ski teams finished second and fourth, respectively, during last Friday's 10-team Grayling Invitational - a meet hosted by the Vikings at Schuss Mountain.

For the girls, Katie Lange placed 5th in slalom and 14th in giant slalom (GS). Emily Wingard took 10th in slalom and 18th in GS. Ciara Summers finished 10th in GS. Peggy Currison took 22nd in GS.

Petoskey, which finished first overall, had six of the eight top finishes in GS, including the top four.

"The girls have been very strong in GS and were one point from taking second. Slalom is the girls' weakness and the next few weeks of training are going to be intense to prepare them for

regionals. Sophomore Emily Wingard has really stepped up this year and is contributing a lot to this team. I was very proud of her 10th place finish in slalom," Coach Tim Gariglio said.

For the boys, Mike Olson finished 2nd in slalom. Matt Hilbrecht placed 4th in slalom and 3rd in GS. Matt Dunkel took 19th in slalom and 23rd in GS. Roger Heggie finished 19th in slalom and 22nd in GS. Hagan Reimers was 25th in GS.

Petoskey also won the boys' competition with 98 team points. Grayling took second with 118. Bellaire was third with 135.

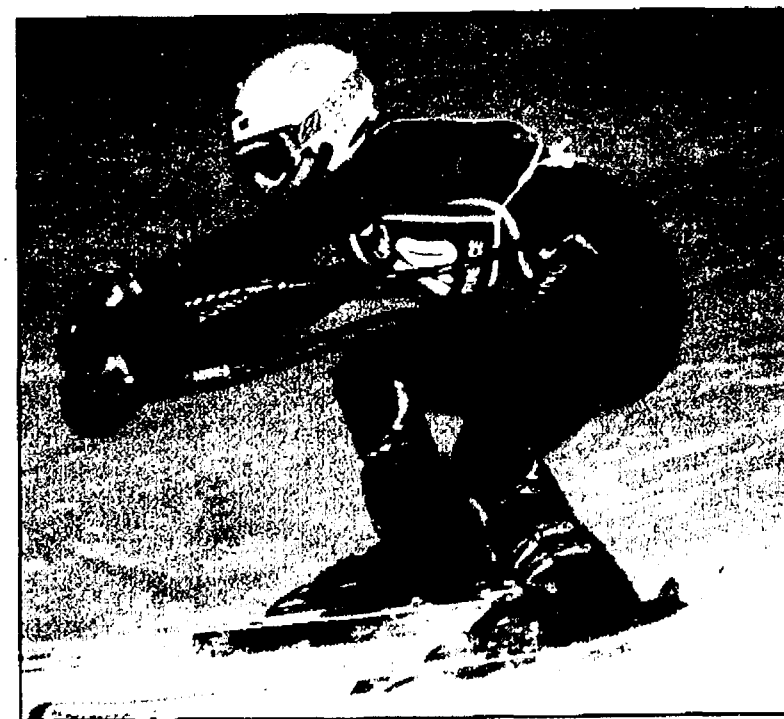

"On the boys' side, they had their best race of the year today. Any time you can hang with a team like Petoskey is a good day. Mike Olson and Matt Hilbrecht are two of the best skiers I have ever coached and they are true leaders of this team. With the return of Brady Coe this week the boys team is going to consist of seven strong skiers," Coach Gariglio said.

"Both teams performed very well today," Coach Gariglio said. "I can't say enough about these kids and their parents. Not only did the kids perform well today, but pulling off a meet this size can't be done without them or their parents. I can't ask for a better group of skiers."

On Thursday, Grayling took third (boys) and fourth

Hilbrecht took 4th in GS and 17th in slalom. Olson was 2nd in slalom and 8th in GS. Dunkel took 16th and 19th. Reimers placed 21st in both events. Lange finished

14th and 12th. Currison posted finishes of 19th and 18th. Summers took 20th in GS and Wingard finished 20th in slalom.

The Vikings will ski in a league meet at Nub's Nob on Thursday, Jan. 21.

NOTICE OF FINDINGS AND PUBLIC EXPLANATION PROPOSED PROJECT IN FLOODPLAIN OR WETLAND

The City of Grayling has considered all practicable alternatives to the proposed project, Ingham St Connector & Infrastructure Improvement Project, to be located in a floodplain or wetland. There is no practicable alternative but to locate project activities in a floodplain or wetland and it is anticipated the project will proceed. This determination is based on the following explanation:

- There is no viable alternative that is economically and physically feasible.
- Facts considered:
 - The existing infrastructure system has exceeded its expected life and is deteriorating to the point of causing service interruptions.
 - A no project alternative would not address the aging infrastructure system which would continue to deteriorate eventually resulting in a potential catastrophic failure.
 - Failure of any part of the system (water, sanitary sewer, stormwater mains) would result in loss of service and potential damage to area residences and businesses, as well as severe erosion and contamination of the Au Sable River.
 - All measures to avoid or reduce impacts to ecologically sensitive areas will be taken.
- All appropriate state and local permits will be secured.
- Some level of impacts will be required during the construction of the road way and infrastructure. The City of Grayling will undergo every effort to minimize those impacts and keep the timeframe of impacts as short as possible. All impacts to floodplain areas will be restored to their original condition as soon as feasibly possible throughout the construction process. Any construction equipment that will be in contact with floodplain areas will be required to be properly maintained, and the amount of time the equipment is in contact with floodplain areas will be kept to as short a duration as possible. The City of Grayling will acquire Inland Lakes and Streams Part 301 and Part 31 permits from the MDEQ. The City of Grayling will adhere to all MDEQ permit and mitigation requirements.

Public comments on the above statement of finding and explanation should be submitted to David Thayer, City Manager, City of Grayling at P.O. Box 549, Grayling, MI 49738 (Grayling City Hall 1020 City Boulevard) within 15 days from the date of this public notice.

NOTICE OF SHOW CAUSE HEARING AND JUDICIAL FORECLOSURE HEARING for NON-PAYMENT OF PROPERTY TAXES

On March 1, 2009, real estate with unpaid 2007 and/or prior years property taxes was forfeited to the Crawford County Treasurer pursuant to the General Property Tax Act, Public Act 206 of 1893, PA 206, MCL 211.1 to 211.157, as amended.

The Crawford County Treasurer is acting as the Foreclosing Governmental Unit in proceedings to foreclose on properties for unpaid 2007 and/or prior property taxes.

There are two hearings scheduled to finalize the foreclosure process. This publication is intended to provide additional notice to parties of interest in these parcels as to the nature, time, and location of these hearings.

A Show Cause Hearing is scheduled for 10:00 A.M. January 19, 2010 at the Office of the County Treasurer, Crawford County Building, 200 W. Michigan Ave., Grayling, MI 49738.

Any person with an interest in the property forfeited to the County Treasurer may appear at the Show Cause Hearing and redeem the property or show cause why absolute title to that property should not vest in the Foreclosing Governmental Unit.

A Judicial Foreclosure Hearing is scheduled for 8:59 A.M. February 1, 2010 at the Crawford County Building, Circuit Court Room, 200 W. Michigan Ave., Grayling, MI 49738.

At this hearing the Foreclosing Governmental unit shall ask that the court enter a judgment foreclosing property as requested in the petition for foreclosure. A person claiming an interest in a parcel of property set forth in the petition for foreclosure, who desires to contest that petition, **must file written objections** with the clerk of the 46th Circuit Court, and serve those objections on the Crawford County Treasurer as the Foreclosing Governmental Unit. The Docket number for the Petition is 09-7914-CZ.

If you are a person with an interest in property being foreclosed:

- You have the right to redeem this parcel from the foreclosure process by payment of all forfeited unpaid taxes, interest, penalties, and fees prior to the expiration of the redemption period. You should contact the Crawford County Treasurer for the amount required to redeem.
- You may lose your interest in the property as a result of the foreclosure proceeding.
- The title to the property shall vest absolutely in the Foreclosing Governmental Unit unless all forfeited unpaid delinquent taxes, interest, penalties and fees are paid by March 31, 2010.

PLEASE NOTE:

The following list represents parties that appear to have title, lien, or other apparent rights to the parcels being foreclosed by the Foreclosing Governmental Unit.

This notice is required to be given by law, even if the party no longer claims or desires an interest if it appears they hold any **undischarged, apparent, or potential** title or lien right to the property listed.

A listing of a party or person does NOT necessarily indicate that they are the owner of a parcel, or that they are liable for the property taxes.

This list is NOT an offering of property for sale. These parcels are NOT being sold, auctioned, or otherwise made available by virtue of this notice.

There is **no procedure** for purchasing these parcels from the Foreclosing Governmental Unit at this point in the foreclosure proceedings. Those parcels that are foreclosed and not redeemed may become available at **public auction** after July of 2010. **These parcels remain the property of the current owner** until redemption rights have expired. **No party or person should make any attempt to inspect or enter upon these parcels** assuming them to be for sale. This may constitute trespassing and subject the offender to criminal prosecution. The street address of the parcels listed is based upon local records and is not guaranteed to be the actual location of the property.

The **amount due** listed indicates the balance which was due as of March 1, 2009. The **current amount** required to redeem **must be obtained from the Crawford County Treasurer**, as additional penalties, fees, and interest have accrued since forfeiture.

A Look At Our Past FROM THE PAGES OF THE AVALANCHE

23 Years Ago January 22, 1987

The 4th Annual Grayling Winter Sports Carnival Medallion Hunt begins this Saturday, Jan. 24. Thirteen medallions have been hidden in Crawford County.

Skiing in their first race of the season, both the girls and boys ski teams won their first meets of the year at Sylvan Resort in Gaylord. The girls team, led by Julie Huss, placed first in both slalom and giant slalom and Cari Longworth took third place in slalom and second in giant slalom. The boys team, led by Jayson Welser, won both the slalom and giant slalom.

The Grayling basketball team brought home a tough road victory Friday, beating St. Ignace 65 - 60. Tom Bacon had a hot hand scoring 26 and Jason McEvers led the team with 13 rebounds.

A local group, planning to build a large ice sculpture in the city park, needs ice blocks for the project. The volunteer group, started by the Grayling Promotional Association, is thinking about cutting ice blocks from a lake or pond. The group plans on using the ice to build a large throne in the city park.

The current liability crunch has hit the Grayling Winter Carnival. The professional snowmobile drag races set for Feb. 8 have been cancelled, because the proper insurance could not be obtained at affordable prices.

Robert Bovee, of Grayling, was photographed with a Michigan Sesquicentennial Pioneer Certificate that recognized the contributions of his ancestors in settling the state. Bovee was able to find records proving his father's grandfather, Harvey Packard, was born in the state prior to Dec. 31, 1837. But Harvey Packard's parents, Orson and Rhoda Packard, were the first of Bovee's ancestors to settle in the state.

In a ten-team tournament loaded with the best teams in northern Michigan, the Grayling volleyball team won their five-team pool, won in the semi-finals and came home with a second place trophy.

46 Years Ago January 23, 1964

The Grayling High School ski teams traveled to Sylvan Knob near Gaylord, Jan. 15, for a three-way meet with

Roscommon and Gaylord. The Grayling boys ski team took first place. First place was taken by Pat Buron in the slalom and Mark Anderson in the downhill. The girls took second in the meet. Placing for the Grayling girls were Camilla Marshall and Jody Wyman tying for third place in the downhill, with Marshall placing fourth in the slalom.

Tonight at the warming lodge at the Grayling Winter Sports Park, Miss Grayling 1964 and her honor court of four will be revealed. The girls vying for the title are Marcia Sorenson, Geneva Riddle, Anita Annis, Phyllis Hunter, Susan Hayes, Zoe Stephan, Kathy Hempel and Merry Perry.

The Frederic boys basketball team lost to Bellaire 64 - 76 at Frederic. Jim Gauthier had 18 points, Cliff Beck and Tom Koerke each had 14. Jan Gauthier added 10 and Fred Hinkle had 9.

Building permits in December were issued to Claude Golnick for building a new home in North Park subdivision, and to Jim Hatley for moving a building and constructing a basement and garage on M-72 east.

69 Years Ago January 23, 1941

The AuSable Valley Sunday School opens services each Sunday morning at the Max Laage home on the AuSable. Special singing and worthwhile poems are the opening exercises.

A good season's start has been made the first two weekends during which the park has been opened. Jan. 12 brought 414 by train and hundreds by autos and last Sunday, had two trains arriving with hundreds of autos. The Detroit train had 650 passengers and the Lansing train had 450. Admission to the park actually numbered 2,500.

Miss Arveley Tetu is the new clerk at the Frank Dreese store.

A telegram received by Reuben S. Babbitt Monday from his son, Donald, stated "arrived safely." The message was from somewhere in France.

Fire destroyed a small building at the DuPont plant early Friday morning. It was the barking drum department where the bark is removed from the tag alder.

Vikings survive late run by Elks, stay unbeaten

Boys win, girls lose in varsity doubleheader

by Caleb Casey
Senior Staff Writer

Grayling led by 10 going into the fourth quarter, but the visiting Elk Rapids Elks rallied in the final three minutes of regulation in a varsity boys basketball contest that the Vikings won by a final score of 82-78 on Friday night.

After a high-scoring first period, Grayling led 25-20. The Vikings had a three-point advantage at halftime. GHS outscored Elk Rapids 21-14 in the third period.

Grayling started the fourth period with an inside shot by Riley Zigila and a three-pointer by Colin Hamlin. The Vikings led by 15.

The Elks outscored GHS 12-2 in the next 2:30 to pull within five. Zigila scored a lay-up for Grayling at the 4:00 mark. Elk Rapids hit a three-pointer at the 3:00 mark.

With 1:56 left, Steven Enos hit two free throws on a one and one opportunity. Enos stole the ball and drove in for a lay-up, giving GHS a 78-69 lead with 1:48 remaining.

In the next minute of clock time, Elk Rapids hit a free throw, a three-pointer, and a lay-up, while Grayling converted only two of four free throw attempts.

With 17 seconds left in the period, Elk Rapids hit another three-pointer — its fourth of the quarter — to cut Grayling's lead to two

points (80-78).

Elk Rapids fouled Enos to stop the clock. He hit both free throws. The Elks tried for three, missed, and Hamlin forced a tie-up on the rebound. The possession arrow favored Elk Rapids, but there was only time for one shot barring a foul. Grayling backed off and the Elks shot and missed. The Vikings won by four.

"Our kids overcame an awful lot of adversity on the court and earned a hard earned victory. We played very well at times in the game and had some nice offensive and defensive runs. We need to play at a consistent level, which we struggled with tonight," Coach Rich Moffatt said. "I

thought our crowd played a key role down the stretch and helped our kids."

Enos finished with 29 points for the Vikings. Hamlin had 14 points, seven assists, and four steals. Griffin Dean had a double-double with 11 points and 11 rebounds. Zigila scored 11 points.

Friday's win vs. Elk Rapids — a Lake Michigan Conference team — improved Grayling's overall record to 6-0 (3-0 league).

Grayling High School's varsity girls basketball squad lost 53-30 on Friday night vs. the visiting Elks.

The Vikings fell to 3-6 overall (1-2 league).

Leading scorers for GHS

were: Abbey Thomas, 16 points, 6 rebounds; Ashley Feldhauser, 4 points, 6 rebounds, 2 blocks; Katlyn Myles, 4 points; Ann Hamlin, 2 points, 7 rebounds, 2 blocks.

"We are better than we played Friday night, but give credit to Elk Rapids. They played pressure defense and didn't allow us easy baskets. Abbey Thomas is beginning to find her shooting range and played big inside, scoring 16 points. Katlyn Myles showed a glimpse of her shooting potential, scoring four points off the bench," Coach Kelly Sheehan said.

Grayling's varsity basketball teams will play at Traverse City St. Francis on Friday, Jan. 22.
